

FUNDRAISING RESPONSIBILITIES

It is anticipated that each Silver Regiment member's parent(s) or legal guardian(s) will participate in various fundraising efforts to make up the balance of the annual budget. Two of these fundraisers are mandatory. You may "Opt Out" of these 2 fundraisers by paying the profit that the band would have received if you had participated.

At band camp registration, everyone will receive a box of candy. This is the first mandatory fundraiser. The profit made from the candy bars is \$25; therefore, by checking below, you can "opt out" of the candy bar fundraiser.

____ NO, I do not wish to participate. Please find my check for \$25 made payable to LHBPA attached.

On September 5, 2009, the band will be having a Rehearse-A-Thon. Every student is required to attend even if they do not participate in the fundraising aspect. Each student is required to raise \$50 from this event. Therefore, by checking below, you can "opt out" of the Rehearse-A-Thon fundraising aspect. (Your child must still attend the event.)

____ NO, I do not wish to participate. Please find my check for \$50 made payable to LHBPA attached.
